6. Project Designers (first time only) provide proof as Registered Architect, Engineer, or CIH.

**V. Regulation Knowledge and Enforceability:**

I have an updated copy of the Louisiana Administrative Code, Title 33, Part III. Chapters 27 and 51.Subchapter M, including the revisions, which pertain to Asbestos regulations. I have read and understand the Louisiana regulations. I am aware that in accordance with La. R.S. 30:2025.F.2, any person who knowingly and intentionally makes any false statement, representation or certification in any document filed or required to be maintained, shall upon conviction be punished by a fine of not more than twenty-five thousand dollars (\$25,000) or imprisonment for not more than 1 year, or both. In addition, I understand that, under Privacy Act 5 USC 552(a), my personal information is being given voluntarily and may be used by the Air Permits Manufacturing Section to verify my identity.
Applicant's Signature _____ Date: _____

**VI. Validity of Accreditation:**

Note: Continuous accreditation will be maintained with the same annual expiration/renewal date provided you submit the required documents and receive refresher training within 60 days prior to your expiration/renewal date.
